

Mini Crawlers

Used Mini Crawler Oxnard - We have designed various Mobile Crane Operation programs at our Crane Training Schools. These programs are recommended for the skilled operator who requires certification or re-certification, and for inexperienced operator who is seeking a job in the industry. Crane operator positions are in demand due to their high pay. Operators of cranes are amongst the highest paid of any heavy machine operator. Our Crane Training Schools feature instruction and training for different mobile cranes. Course subject includes Crane Set-up, Wire Rope, Load Dynamics, Lift Planning, Load Charts, Rigging, and Signaling. The Crane Training School program is best for operators, riggers and supervisors. Course materials comprise a manual and informative hand-outs. The illustrated safety guidebook features 100 to 250 pages, depending on the course, of important and useful material. Course materials include load charts and load chart exercises for the crane with which the individual training is working. Hands-On Safety Training will take up over half of the course curriculum. The practical training section is the most useful method to improving and developing personal skill levels. Only experienced journeyman crane instructors are chosen to teach the courses. Our instructors have numerous years of experience in the business. For all the course we provide, we could include optional testing mechanisms to customize your training. A test for skills is usually administered for programs that consist of H.O.S.T. Trainees would be graded and tested.

Certification Training Programs: Lattice Boom/Crawler Cranes; Fixed and Swing Cab Mobile Hydraulic Cranes; Rigging / Signalperson Certification and Training; Articulated Boom / Knuckleboom Cranes; Certification & Testing; and In-The-Seat Training.
